# O' Our Capabilities

---

**Our Vision is to be Greater Geelong, Bellarine and Surfcoast leading electrical service provider. Through delivering sustainable, responsive, professional, and high-quality electrical services and advice to our customers and stakeholders.**

**Energy Efficiency – Solar and Storage Solutions:** We are at the forefront of the energy revolution, offering cutting-edge solar and storage solutions to help clients harness the power of renewable energy sources. Our expert team designs, installs, and maintains solar systems that significantly reduce energy costs and environmental impact.

**Switchboard Updates and General Repairs:** Our skilled technicians ensure the safety and efficiency of electrical systems through modern switchboard updates and prompt repairs. We optimize electrical infrastructure to meet evolving demands and provide responsive solutions for both residential and commercial settings.

**Commercial Services:** With over 30 years of experience in the commercial and industrial sector, O'Brien Electrical North Geelong boasts an unparalleled depth of expertise. Our seasoned professionals deliver innovative electrical solutions that empower businesses to thrive in a rapidly changing landscape. We understand the unique challenges of the commercial sector and offer tailored services to ensure seamless operations and sustainable growth.

**Industrial and Commercial Expertise:** At O'Brien Electrical North Geelong, we combine our local presence with national support, enabling us to undertake projects of all sizes. Our industrial and commercial services encompass a wide spectrum, from intricate installations to intricate troubleshooting, maintenance, and upgrades. Our dedicated team is equipped to handle the complexities of industrial and commercial electrical systems with precision and efficiency.

# O' Our Services and Offerings

---

**Commercial Services:** Our expertise extends to the commercial realm, where we provide tailored electrical solutions that enhance operations, ensure compliance, and promote energy efficiency.

**Domestic Services:** For residential clients, we offer a comprehensive suite of electrical services, from installations to repairs, designed to make homes safer, more comfortable, and energy-efficient.

**Industrial Solutions:** With an intricate understanding of industrial systems, we deliver solutions that optimize performance, enhance productivity, and minimize downtime.

**Maintenance and Servicing:** We offer ongoing maintenance and servicing programs, safeguarding your electrical systems, and addressing potential issues before they escalate.

**Rural Expertise:** Our services extend to rural areas, where we offer specialising solutions to cater to the unique requirements of agricultural and remote environments.

**C-Bus Expertise:** Our proficiency in C-Bus technology enables us to create intelligent and automated systems that simplify control and management of lighting, climate, and security.

**Data Communication:** We provide cutting-edge data communication solutions to ensure seamless connectivity and communication.

# O' Our Services and Offerings

---

**Home Theatre Audio and Automation:** Elevate your entertainment experience with our home theatre audio and automation solutions, designed to provide immersive and convenient entertainment options.

**Intercoms, Alarms, and PA Systems:** Enhance security and communication with our intercom, alarm, and public address systems, tailored to your specific needs.

**Lighting Designs:** We specialise in creative lighting designs that accentuate spaces, enhance ambiance, and promote energy-efficient illumination.

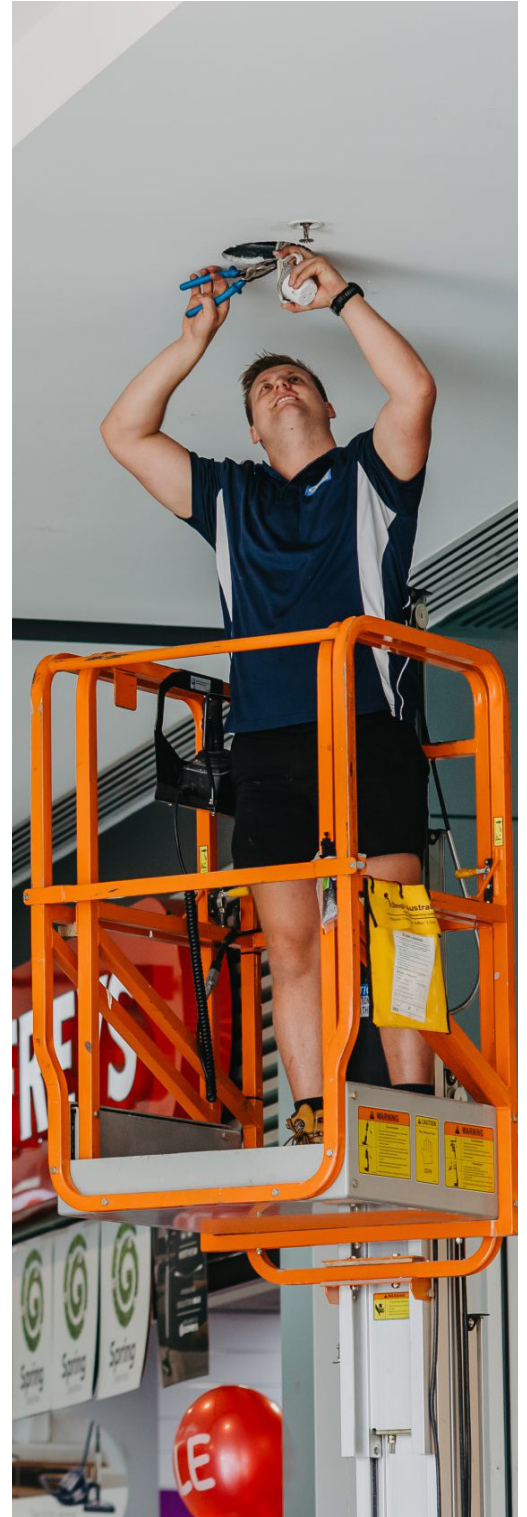

**Motor Control Systems:** Our expertise in motor control systems ensures efficient and precise control over motors and machinery.

**Pumps, Tanks, Filtration, and Irrigation:** We provide comprehensive solutions for pump systems, water tanks, filtration, and irrigation, vital for various applications.

**Solar PV Systems:** Harness the power of renewable energy with our expertly designed and installed solar PV systems, reducing your environmental footprint and energy bills.

**High Voltage Maintenance and Switching:** Our team is equipped to handle high voltage maintenance and switching tasks, ensuring the reliability and safety of electrical systems.

**Air Conditioning Services:** We offer comprehensive air conditioning services for both residential and commercial properties, ensuring optimal comfort and efficiency.

# O' Why Choose O'Brien Electrical North Geelong

---

# O' Testimonials from Clients

*"Stu and the guys at O'Brien's Electrical North Geelong have been a long standing and supporting customer of AWM Electrical for over 10 years now. They are always polite and courteous to deal with and extremely professional. We look forward to growing our business alongside theirs for many years yet."*

**- Dean Thornburgh, AWM Electrical**

*"We would be happy to recommend Stuart and O'Brien Electrical North Geelong any time for workmanship cost and after sales service they get a 10 out of 10, because anyone can sell you a solar system but it really is about the quality of the installation and also the after sales service that makes a big difference."*

**Hugo Armstrong, The Blues Train**

*"Stuart and his team were very helpful, arrived on time and did a great job."*

**- Ben Kelly, Residential Client**

*"Stuart and the boys were a pleasure to work with. Great professionals and even better people."*

**- Julian Barbagallo, iRagazzi Restaurant**

*"Stuart and the trades at O'Briens North Geelong have been a great trade partner of our business. Their vast solar expertise, fantastic customer service and the willingness of their tradespeople to work within the building site, has been great and nothing seems to be an issue. It's always great to work with such an accommodating business."*

**- Andrew Carroll, Geelong Built**

*"O'Brien Electrical North Geelong has been associated with us for many years, and they have continued to provide exceptional service. We provide critical communications, including nurse call systems, in the Hospital and Aged Care sector and our clientele require fast service from experts, due to life-threatening situations. O'Brien Electrical North Geelong has always responded to our requirements on time and provided reliable support for our business. We highly recommend them as a supplier in this very important industry."*

**- Rodney Ward, Commercial & Strategy - Xacom**

# O' Our Community Work

At O'Brien Electrical North Geelong, we are deeply committed to making a positive impact in our local community. As part of our social responsibility initiatives, we actively engage in fundraising efforts to support local charities such as Rivers Gift - Stamping Out SIDs and the Geelong Giving Tree appeal. Through our contributions and involvement, we strive to enhance the well-being and resilience of our community, embodying our dedication to social responsibility and making a difference where it matters most.
