# About Us

---

O'Brien Plumbing Tuggeranong is a trusted local plumbing contractor, servicing Canberra and the surrounding regions. Our team of dedicated plumbers are the experts making it easy for residential and commercial customers. Our team is ready to take on everything from home plumbing to larger complex projects.

**2015**

*Began Operation as Phil Foster Plumbing*

Phil commenced working for himself and growing a network of clients.

**2011**

*Commenced plumbing in Australia*

Phil moved to Australia as a qualified plumber on a skilled migrant visa and obtained his Australian qualification including ACT and NSW plumbing licence.

**2019**

*Evolved into CanPlumb ACT*

The business grew to take on more employees and acquired a fleet of specialised tools and plant equipment

**2023**

*Joined the O'Brien Group*

CanPlumb ACT transformed into O'Brien Plumbing Tuggeranong

# Vision & Values

---

“To provide exceptional communication, workmanship and a service you can rely on”

We treat every customer with care. Our team of dedicated plumbers are responsive, communicative and provide plumbing solutions when you need it most.

We prioritise our clients, building strong and reciprocal working relationships. Our genuine approach to customer service means our team is adaptable and strives to work with our clients to find the best solutions.

We provide quality workmanship and maintain exceptional standards. We are proud to take accountability for our staff and our work. We don't compromise on safety or quality of our work.

# Leadership Team

---

**Phillip Foster**  
Director

Operations manager and principal plumber, with almost 20 years of on-going experience as a qualified plumber, gas fitter and drainer.

**Jessica Brenner**  
Business Manager

Jessica runs all nonoperational aspects of the business and has expertise in records management, reporting and legislative compliance.
